

RACE KINGS

Multi-station Gaming Platform

Race Kings, brings the excitement of horse racing to the casino floor by allowing multiple players to bet on the outcome of scheduled virtual races. A large central screen focuses players attention on a common race. This promotes social game play that transports players trackside, to experience the thrill of racing.

Race Kings offers you maximum flexibility in terms of setup, customisation and configuration options. Whether you are considering a cosy section of your casino sports bar or a larger dedicated area, Race Kings is sure to excite and entertain your customers.
