

# Kiron Interactive Privacy Notice and Policy

## Introduction:

Kiron is concerned about the privacy, security and online safety of our clients' personal information. We take the responsibility to protect personal information very seriously. In this notice we explain how we collect, use, share and protect personal information, as required by the Protection of Personal Information Act (POPIA). Using our services and any disagreements about your privacy are subject to this notice.

As Kiron expands and changes, the need may arise to update this notice to reflect those changes. Should any changes affect our clients personally, we will try and contact them directly because it is important to us that you understand at all times how your personal information is used. Please make sure that we always have your latest contact details.

## The meaning of processing your personal information:

To help you understand this notice, we include the explanations of the terms 'personal information' and 'process' as used in POPIA (Note: this is not necessarily the personal information that will be used by Kiron):

**Personal information and special personal information** Is any information relating to an identifiable living or juristic person. Some examples are: race, gender, marital status, nationality, age, physical or mental health, disability, language, education, identity number, telephone number, email, postal or street address, biometric information and financial, criminal or employment history.

**Process** means any operation or activity, whether automated or not, concerning personal information, including: collection, receipt, recording, organisation, collation, storage, updating or modification, retrieval, alteration, consultation, use, dissemination by means of transmission, distribution or making available in any other form, merging, linking, as well as blocking, degradation, erasure or destruction of information. "Processing" will have a similar meaning.

### Why does Kiron process your personal information:

Kiron may need to process some of your personal information in order to provide you with our products and services, and also as may be required by legislation. Personal information is also gathered through our website and other channels we use to distribute, communicate and deliver our services.

We use your personal information in order to do the following:

- identify you;
- process your requests or instructions;
- follow the laws of South Africa, or other jurisdictions we operate in;
- detect and prevent fraud.

Because of the nature of our business, we sometimes use other parties like our service providers and administrators who in turn process your personal information.

### When does Kiron share your personal information:

In order to provide our products and services to you, we may share your personal information with other industry bodies and our service providers.

These are some examples of when we will share your personal information:

- When required by any regulatory authority,
- When required by legislation or any legal process.
- To protect and defend our rights and property, including our intellectual property.
- When you have given us direct permission to do so.

Kiron will not sell your personal Information or share it with other parties for their own marketing use, unless you have given us direct permission.

### Some information is automatically collected:

When you use any of our digital channels like websites, we receive and store information generated by your activities (**usage data gathered by cookies**) and **other information** that are automatically collected. Most of this data is generally not personally identifiable. However, some of this data, either alone or when linked with other information, may allow your identity to be discovered. We treat this combined data as personal information and we protect it accordingly.

- **Cookies** are small text files that are created when you view a website. They gather usage data which includes information about the sites you visited, the number of times you visit, the date, time and length of your visit, which products or services you viewed and which areas of the site

you visited. We may assign you one or more unique identifiers to help keep track of your future visits.

- **Other information** automatically collected may include your IP address, browser type and version, preferred language, geographic location, wireless or Bluetooth technology on your device, operating system and computer platform.

### Information collected through online advertising:

We use service providers (such as Google, DoubleClick and Programmatic Buying) to help us deliver our banner advertisements and other online communications. To understand which types of offers, promotions and advertising are most appealing to our clients, these service providers may collect and use some of your personal information. This information is **aggregated** and cannot be linked to you.

- **Data aggregation** is any process in which information is gathered and expressed in a summary form using specific variables such as age, profession, income and interests. These service providers show Kiron's ads on sites on the internet, and they use the information stored in cookies based on your prior visits to Kiron's website. If you don't want your personal information to be used in this way, you can opt out of the use of cookies, by visiting any of the following sites:
  - Google at <http://www.google.com/policies/privacy/ads/>

### How we protect your data:

Kiron takes every reasonable precaution to protect your personal information from theft, unauthorised access and disruption of services. Our security controls are designed to maintain an appropriate level of data confidentiality, integrity, and availability. We regularly test our website, data centres, systems, and other assets for security vulnerabilities. However, we cannot guarantee the security of any personal information that you willingly disclose on line.

### Receiving marketing from us:

Kiron endeavours to keep our clients informed of the latest products and services offered. When you purchase a new product or service from us, we will ask you what your marketing preferences are. If you wish not to receive marketing from us, you can notify us to stop communicating marketing material to you. Note that even if you choose not to receive marketing from us, Kiron may still communicate with you regarding things like security updates, product functionality, responses to service requests and for other transactional or administrative purposes.

**Accessing, changing or removing your personal information:**

You may ask us to access, change or remove your personal information from our records. If legislation allows, we may charge an administrative fee, but we will always inform you of any cost before performing your request.
